\*To specify the date and time of delivery, please refer to your forwarding service provider.

\*Shipping products from our company to the forwarding company's warehouse may take approximately 10 days. The costs of shipping from the forwarding company's warehouse to the customer must be paid by the customer.

\*In the address section, please enter the address and warehouse number assigned to you when signing up with your overseas forwarding service provider. If your home address is entered directly, the parcel will not be sent.

\*For information on forms of shipping and other details concerning overseas deliveries, please visit your forwarding service provider's website.
